

# THE DOWER HOUSE

WINCHESTER

## Care Fees

All convalescence/short stays are charged at a flat rate.

For longer term/residential stays, fees are charged dependant on the room which you occupy and will NOT change dependant on the level of care required, unless you should require continual 1-1 care.

<b>Convalescence/short stay</b>	<b>Weekly fee</b>
Furnished room with ensuite lavatory and wash basin, as available.	£2190
<b>Long term/residential</b>	
Standard unfurnished room with ensuite lavatory and wash basin	£2125
Larger unfurnished room with ensuite lavatory and wash basin	£2170
Unfurnished bedroom with ensuite bathroom – lavatory, wash basin and shower	£2190

All convalescence/short stays require a deposit of £700.

All longer term stays/residential require a deposit of £2,000.

All deposits are required prior to your arrival.

If you have private health insurance, it is advisable to check with your insurance company regarding any payments for fees incurred at The Dower House, as the various insurers have different rulings regarding this. It is, however, usually possible to claim on your health insurance for physiotherapy treatment provided that your doctor has authorised this.
